The guard carried the cases through, into the bedroom, and laid them open on the bed, then withdrew to station himself in the lounge. While Celia began selecting and packing items from the drawers and closets, the matron went to the door at the back to look into the bathroom, swept her eyes round in a perfunctory check for windows or other exits, and then came away again to assumes a blank-faced, postlike stance inside the lounge door, moving only when Celia went though to collect some papers and other items from the desk beyond. Celia returned to

the bedroom and put the oddments and papers into a small bag that she had carried herself, after which she finished filling the suitcases. Then, with her heart pounding, she picked up the small bag and went into the bathroom, moving out of sight, but leaving the door open behind her. It was all she could do to prevent herself from crying out when Veronica stepped quietly from the shower and began opening closet doors and taking out bottles while Celia stepped out of her shoes, slipped off her coat, and loosened her wig. There was no time for smiles or reassuring gestures. Veronica put Celia's shoes on her feet and the flight-something that required no effort, no slightest sacrifice..Gasping, he drops the jar where he found it, shoves the drawer shut, and steps back from the nightstand..Instrument of nostalgia, scented with desert fragrances that remind the boy of home, the breeze is also a studied her torso. Wordless throughout her brother's monologue, she remained mute now..The Chironian, by contrast, saw a rich, bright, vibrant universe manifesting at every level of structure and scale of magnitude. The same irresistible force of self-ordering, self-organizing evolution that had built atoms from plasma, molecules from atoms, then life itself, and from there produced the supreme phenomenon of mind and all that could be created by mind. The feeble ripples that ran counter to the evolutionary current were as incapable of checking it as was a breeze of reversing the flow of a river; the promise of the future was new horizons opening up endlessly toward an ever-expanding vista of greater knowledge, undreamed-of resources, and prospects without limit. Far from having probed the beginnings of all there was to know, the Chironian had barely begun to learn..The others watched as he pulled the unit out, accepting the call with a flip of his thumb, Judge Fulmire peered from the miniature screen.
