"It's how the Chironians have been working all along," Lechat said. "They've been doing everything in their power to entice as many people as possible away from the opposition and effectively over to their side. Haven't they done it with us? When they're down to the last handful who'll never be able to think the way the Chironians think, they'll get rid of them, just as they did Padawski. That's how their society has always worked. When it comes down to the last few who won't be sensible no matter what anybody does, they don't fool around. And they'll do the same thing with the ship if Stern makes one threatening move with those weapons up there. I'm convinced of it. The Chironians took out their insurance a long time ago. and left for dead. Her life wouldn't now be a long series of waking dreams and nightmares." "I don't think it ever did. What I was afraid of was in my own head. None of it was out there." She took in the sight of her husband-his arms tanned and strong against the white of the casual shirt that he was wearing, his face younger, more at ease, but more self-assured than she could remember seeing for a long time-propped loosely but confidently against the frame of the door, and she smiled. "Kalens may have to hide himself away in a shell," she said. "I don't need mine anymore." Sirocco turned to Malloy, while in the background the last of the figures came through. "Okay, you know where to go. Hanlon should be there now with the others." Malloy nodded. "We'll make a soldier out of you yet," Sirocco said to Celia. "You're doing fine. Almost there now." Celia returned a thin smile but said nothing. She moved away with the others toward the far side of the compartment. Meanwhile Stanislaw had set up the compack and was already calling up codes onto the screen. He had practiced the routine throughout the day and was quickly through to the schedule of SD guard details inside the Government Center, this. But he's out tonight. "I'd rather invite Satan than him," said Geneva. "You're welcome here anytime, were her misgivings now the early-warning signals from a part of herself that had already seen the cracks appearing in dreams that were destined to crumble, and which she consciously was still unable to admit? If she was honest with herself, was she deep down somewhere beginning to despise Howard for allowing it to happen? In the bargain that she had always assumed to be implicit, she had entrusted him with twenty years of her life, and now he was betraying that trust by allowing all that he had professed to stand for to be threatened by the very things that he had tacitly contracted to remove her from. Everywhere Terrans were rushing headlong to throw off everything that they had fought and struggled to preserve and carry with them across four light-years of space, and hurl themselves into Chironian ways. The Directorate, which in her mind meant Howard, was doing nothing to stop it. She had once read a quotation by a British visitor, Janet Shaw, to the Thirteen Colonies in 1763, who had remarked with some disapproval on the "most disgusting equality" that she had observed prevailing on all sides. It suited the present situation well. SOME DAYS SINSEMILLA stank like cabbage stew. Other days she drifted in clouds of attar. Yet instinct insists that this isn't merely a similar truck, but the very same one..than the one he'd suppressed.. "And having to rely on the news trickling through from the outside wouldn't help," Adam pointed out. "There have been so many rumors already. It would be more likely to just fizzle out," Leilani looked toward the kitchen window but seemed to be gazing at something far away in time and at Micky. "Maybe it'll settle our nerves, dear." The girl stamped her left foot on the ground, causing the leg brace to rattle softly. She raised her left, have been smoothed out oilier crushed features and a plain profile constructed from the ruins. Insurance. this woman more alien than the ETs that Preston eagerly pursued.
