"We'll need to talk about this a lot in the days to come, as we both have more time to think about it." Junior closed his eyes at once and let his jaw sag, breathing through his mouth, feigning sleep.. "Blood tests should reveal whether the child's yours or not. That also might explain all this." His mother tried to explain. "It's as if you'd found some great jewel," she said, "and what's one of us to do with a diamond but hide it? Anybody rich enough to buy it from you is strong

enough to kill you for it. Keep it hid. And keep away from great people and their crafty men!" Without sigh or complaint, he would walk back to her with the purse. The errand was no trouble. In fact, returning the purse would give him a chance to get another good-night kiss..By the grace of Caesar Zedd and Remy Martin, Junior eventually slipped into undulant currents of sleep, and as he drifted away on those velvet tides, he took some solace from the thought that come what may, December 29 would be a better day than December 28..Even the Shantung-softened lamplight blazed too bright and did not serve her well, so she switched it off and said, "Scoot over.".Sklent came to mind, perhaps because of the strange drawing on the girl's sketch pad. Sklent at that Christmas Eve party, only a few months ago but a lifetime away. The theory of spiritual afterlife without a need for God. Prickly-bur spirits. Some hang around, haunting out of sheer mean stubbornness. Some fade away. Others reincarnate..He loved Naomi, of course, and never could deny her. Although he had been especially sweet to her that night, if he had known that they would have less than a year together before fate tore her from him, he might have been even sweeter..In agreement, Maria pushed the stack of unused cards aside, and she peered at her hands as if she wanted to scrub them for a long time under hot water..When he closed his eyes, he saw a bowling pin, a leftover image from his with-seed days. In less than a minute, he was able to make the pin dematerialize, filling his mind with featureless, soundless, soothing, white nothingness..He was astonished that adoption records would be sealed and so closely guarded when a child was being placed with a member of its immediate family, with its mother's sister..She thought all that, but she closed her eyes and said: "I'll be okay. Give me a second here, all right?". "What room has Mrs. Lombardi been moved to?" she asked. "I'd like to ... to see her before I go.".EARTHSEA.The presence of the brochure disturbed Vanadium also because he assumed that after being dead-ended by Nolly, Cain had subsequently discovered that Celestina had taken custody of the baby to raise it as her own. For some reason, the nine-toed wonder originally believed the child was a boy, but if he'd tracked down Celestina, he now knew the truth..A man with beautiful celadon eyes, his face beaded with jewels of rain, reached through the cut-away door and removed the blanket from Agnes..Bartholomew was dead but didn't know it yet. Pistol in hand, cocoon in tatters, ready to spread his butterfly wings, Junior pushed the door to the apartment inward, saw a deserted living room, softly lighted and pleasantly furnished, and was about to step across the threshold when the street door opened and into the hall came Ichabod..Frustrated on many levels, Junior hurried to a parking lot one block from the detective's office, where he'd left his new Chevrolet Impala convertible. This Chinese-red machine was even more beautiful when wet with rain than it had looked polished and pristine on the showroom floor.. "And," Joshua cautioned, "you better prepare for a long day. I'm pretty sure Dr. Chan will want to consult with an oncologist.".Victoria lived on the northeast edge of Spruce Hills, where streets petered into country lanes. Here the houses tended to be more rustic, built on larger and less formally landscaped lots than those closer to the center of town, and set back farther from the street..on both sides of the property, the neighbors can't see, but some know, have always known, and have less interest.The sidewalks were crowded with businessmen in suits, hippies in flamboyant garb, groups of smartly attired suburban ladies in town to shop, and the usual forgettably dressed rabble, some smiling and some surly and some mumbling but as blank-eyed as mannequins, who might be hired assassins or poets, for all he knew, eccentric millionaires in mufti or carnival geeks who earned their living by biting heads off live chickens.. "This will stay with you," Mary said. "It's shared sight from all the other yous in all the other places, but you won't have to make any effort to hold on to it. No headaches. No problems ever. Merry Christmas, Daddy.".After a little silence Otter said, "Thanks." And he looked up at Hound, one brief, questioning, judging glance..Grimacing, she said, "I told the police about your disgusting little come--on with the ice spoon.".Worrying is what mothers do best. Celestina was her mother, as far as Angel was concerned, and the child was not yet of an age to be told, and to understand, that she had been blessed with two mothers: the one who gave birth to her, and the one who raised her..Her voice as bright as her bed ensemble, spiritual sister to baby chicks everywhere, yellow Angel raised her head from the pillow and said, "Will you have a wedding?".Then from San Francisco International, through the fog-shrouded streets of the night city, to St. Mary's, to Room 724. And to the discovery that Phimie's blood pressure was so high-210 over 126-that she was in a hypertensive crisis, at risk of a stroke, renal failure, and other life-threatening complications..As his drying tears became stiff on his cheeks, Junior decided that he would most likely have to kill Vanadium to be rid of him and fully safe. No problem. And in spite of his exquisite sensitivity, he was convinced that wasting the detective would not trigger in him another bout of vomiting. If anything, he might pee his pants in sheer delight.. "Well, you're sweet, aren't you? And you're all bright red on the outside and milk chocolate inside," Celestina said, gently tweaking the girl's light brown nose..Junior shuddered. Vanadium hadn't invented the name. It had genuine if inexplicable resonance with Junior that had nothing to do with the detective..mother's understanding of the world and of her own existence. Unlike most other toddlers, Barty was entirely comfortable with change. From bottle to drinking glass, from crib to open bed, from favorite foods to untried flavors, he delighted in the new. Although Agnes usually remained near at hand, Barty was as pleased to be put temporarily in the care of Maria Gonzalez as in the care of Edom, and he smiled as brightly for his dour uncle Jacob as for anyone..By this time, Vinton had finished, commercials had run, and the number-two song had started: "Come See About Me," by the Supremes..To be useful, anger must be channeled, as Zedd explains with unusually poetic prose in *The Beauty of Rage: Channel Your Anger and Be a Winner* Junior's current predicament would only get worse if he had to telephone Roto-Rooter to extract a musician from the plumbing..He prepared his knives and guns. Blades and bullets. Fortune favors the bold, the self-improved, the self-evolved, the focused.. "Can't pay us as well as Losen does. But we could live," Otter argued..Barty never cried. In the hospital neonatal unit, he'd been a marvel to the nurses, because when the other newborns were squalling in chorus, Barty had been unfailingly serene..His thought had been that Reverend White might find in Agnes, Bright Beach's beloved Pie Lady, a subject who would inspire a sequel to the sermon that had so deeply affected Paul-who was neither a Baptist nor a regular churchgoer-when he had heard it on the radio more than three years ago..The detective wasn't the only person in the world who liked "Someone to Watch over Me." Anyone in the lounge might have requested it. Or maybe this number was part of the pianist's usual repertoire..On Christmas Eve, 1996, the family gathered in the middle of the three houses for dinner. The living-room furniture had been moved aside to the walls, and three tables had been set end to end, the length of the room, to accommodate everyone..Fear of the unknown is a weakness, for it presumes dimensions to life beyond human control. Zedd teaches that nothing is beyond our control, that nature is just a mindlessly grinding machine with no more mysteries in it than we will find in applesauce..This sight that might inspire celebration among sailors was denied to Barty, who rode in the backseat with Agnes. Neither could he see how the crimson sky studied its painted face in the mirror of the ocean, nor how a burning blush shimmered on the waves, nor how the veil of night slowly returned modesty to the heavens..In addition to these scavengers, another presence was

here, unseen but not unfelt. The chill of this invisible entity pierced Junior to the marrow: the stubborn, vicious, psychotic, prickly-bur spirit of Thomas Vanadium, maniac cop, not satisfied to haunt the house in which he'd died, not ready yet to seek reincarnation, but instead pursuing his beleaguered suspect even after death, capering--to paraphrase Sklent like an invisible, filthy, scabby monkey here on this city street, in bright daylight. Too much, far too much to contend with, and so unfair: finding the Bartholomew needle in the haystack, hives, seizures of vomiting and diarrhea, losing a toe, losing a beloved wife, wandering alone through a cold and hostile world without a heart mate, humiliated by transvestites, tormented by vengeful spirits, too intense to enjoy the benefits of meditation, Zedd dead, the prospect of prison always looming for one reason or another, unable to find peace in either needlework or sex. "I've already told them," Joey said, wheeling away from her and yanking open the door of the foyer closet with such force that she thought he would tear it off its hinges. St. Mary's social workers did not arrive with dawn, so Celestina was given the privacy of one of their offices, where the wet face of the morning pressed blurrily at the windows, and where she phoned her parents with the terrible news. From here, too, she arranged with a mortician to collect Phimie's body from the cold-storage locker in the hospital morgue, embalm it, and have it flown home to Oregon. In bed, lights out, Junior marveled at his daredevil spirit. He never stopped surprising himself. Repressing a smirk, feigning a respectful solemnity, he dared to glance at Vanadium, but the detective stared into Naomi's grave as though he hadn't heard the mockery-or, having heard it, didn't recognize it for what it was. "Be quiet, sugarpie," she said, crossing the bedroom to the door, which stood only slightly ajar. Jacob had become a card mechanic for one purpose. Not because he'd ever be a gambler. Not to wow friends with card tricks. Not because the challenge intrigued him. He wanted to be able to give Agnes winning cards once in a while, if she was losing too frequently or needed to have her spirits lifted. He didn't feed her winning hands often enough to make her suspicious or to make the games less fun for Edom or Joey. He was judicious. The effort he expended-the thousands of hours of practice-was repaid with interest each time Agnes laughed with delight after being dealt a perfect hand. "A ship without an anchor can never be at rest," he answered. "It's at the mercy of the sea." Having settled on the sofa with Agnes and Barty, prepared to serve comfortably in the role of quiet observer, Edom was alarmed to have suddenly become the subject of conversation. He was also alarmed to be called "son," because in his thirty-six years, the only person ever to have addressed him in that fashion had been his father, dead for a decade yet still a terror in Edom's dreams. straddles him, driving big fists into his back, brutally into his sides. With high fences and hedgerows of Indian laurels. Livor mortis had already set in, blood draining to the lowest points of her body, leaving the fronts of her bare legs, one side of each bare arm, and her face ghastly pale. In the spring and summer of '66, he flew to Memphis, Tennessee, stayed a few days, and walked 288 miles to St. Louis. From St. Louis he hiked west 253 miles to Kansas City, Missouri, and then southwest to Wichita. From Wichita to Oklahoma City. From Oklahoma City east to Fort Smith, Arkansas, from whence he rode home to Bright Beach on a series of Greyhound buses. Seraphim White had come to California to give birth to him in or to spare her parents-and their congregation--embarrassment. On the other hand, one needed to believe in something. Junior didn't clutter his mind with superstitious nonsense or allow himself to be constrained by the views of bourgeois society or by its smug concepts of right and wrong, good and evil. From Zedd, he'd learned that he was the sole master of his universe. Self-realization through self-esteem was his doctrine; total freedom and guiltless pleasure were the rewards of faithful adherence to his principles. What he believed in-the only thing he believed in-was Junior Cain, and in this he was a fiercely passionate believer, devout unto himself. Consequently, as Caesar Zedd explained, when any man was clearheaded enough to cast off all the false. "He's crafty, you say. Can you use him?" He rolled his head back and forth on the pillow. "Nope. It's still just something you gotta feel." All the way to the nightstand, he expected to discover that the revolver had been taken from the drawer. Yet here it was. Loaded. In November, Edom asked Maria Gonzalez to dinner and a movie. Although he was only six years older than Maria, both agreed that this was a date between friends, not really a boy-girl thing. "You know where it comes from," her mother said with a yawn that betrayed her exhaustion after a night with no sleep and too much drama. "Now, I'm doubtless," Vanadium said, his voice returning to the uninflected drone that Junior had come to loathe but that he now preferred to the unsettling voice of quiet passion. "No matter what the situation, no matter how knotty the question, I always know what to do.
