"Why's it so important to be better than somebody?".She shivered at the thought and got up from the sofa to find Bernard. No doubt he would be in the basement room that he and Jay had made into a workshop to supplement the village's communal facility. Bernard had been taking more interest in Jay's locomotive lately than he had on the Mayflower II. Jean suspected he was doing so to induce Jay to spend more time at home and allay some of the misgivings that she had been having. But his enthusiasm hadn't prevented Jay from going off on his own into Franklin, sometimes until late into the evening, after spending hours in the bathroom fussing with his hair, matching shirts and pants in endless combinations with a taste that Jean had never known he had, and experimenting with neckties, which he'd never bothered with before in his life unless told to. The way to obtain antimatter, they therefore reasoned, would be to make a small part of the universe look like an antiuniverse so that tweedlespace could be "fooled" into projecting antitweedles instead of tweedles into it. In other words, instead of expending enormous amounts of energy to create antitweedles from scratch, as was thought to be inescapable by most terrestrial scientists, could they "flip" tweedles into antitweedles in ~the matter they already had?".Ah, well, it's not over yet," Hanlon said. Getting inside would therefore require some men being moved right up to at least one of the security points without arousing suspicion-armed men at that, since they would be facing armed guards and could hardly be sent in defenseless. Malloy had again discouraged ideas of attempting to impersonate SD's. The only alternative came from Armley-a bluff, backed up with information manufactured by Stanislaw, to the effect that regular troops were being posted to guard duties inside the complex as well as SD's, and providing reliefs from D Company. Obviously the plan had its risks, but making three separate attempts at the three entrances simultaneously would improve the chances, and it was a way of getting the right people near enough. In the end, Sirocco agreed. Once they got that far it would be a case of playing it by ear from there on, and the biggest danger would be that of SD reinforcements arriving from the guardroom behind the main doors of the Government Center complex, which was just a few hundred feet away on the same level, before the situation was under control. That was the part that Bernard Fallows had come along to handle. "You sly bastard!" he exclaimed. "How long has this been going on?" Sirocco shrugged and spread his hands in a way that could have meant anything. Then Colman grinned. "Well, what do you know? Anyhow-good luck." "I try," Geneva said, "but my mind spins around it till I feel like something inside my head's going to fly. With no pie left on her plate, Leilani put down her fork.
