Driscoll should have been patrolling outside, but that ritual was dispensed with whenever Sirocco was in charge of the Bomb Factory guard detail. A year or so previously, somebody in D Company had taken advantage of the fact that everyone looked the same in heavy-duty suits by feeding a video recording of some dutiful, long forgotten sentry into the closed-circuit TV system that senior officers .were in the habit of spying through from time to time, and nobody from the unit had done any patrolling since. "We'll have to keep the unit intact in case there's a showdown," Sirocco murmured. "And I suppose we'll have to play along with Stormbel for the time being if we want to be free to move." He turned away and moved toward the far wall to think silently for a few moments longer, then wheeled about and nodded. "Okay. Bret, you have to leave for the base right away. Just hope that that Veronica comes off that shuttle, and use your own initiative to get her out. That's all you have to worry about so, on your way." Hanlon nodded and disappeared back through the Orderly Room. "Steve," Sirocco said. "Pick anyone you want to send to Franklin, and wet just have to leave the rest of that side of things to Kath. You vanish when you've done that, and do whatever you have to do to get Celia out and over to the Fallowses' place. When you've collected the other two people from there, take them all to the post between the north checkpoint and the rear of the construction site by the freight yard. Maddock's section will be manning that sector from midnight to 0400. They know how to distract the SDs, and I'll make sure they're expecting you." "You say you know Fallows fairly well?".The noise grew hellish. "Take crime for instance. Theft and greed are impossible, because how can you steal another man's competence? Oh, you could try and fake it, I suppose, but you wouldn't last long with people as discerning as Chironians. They can see through a charlatan as quickly as we can spot ourselves being shortchanged. In fact to 'them that's just what it is. They have their violent moments, sure, but nothing as bad as what's coming in from Africa on the beam right now, or what happened in 2021. But it never turns into a really big problem. There's no motivation for anyone to rally round a would-be Napoleon. He wouldn't have anything to offer that anybody needs..".Bernard's initial surprise at her candor quickly gave way to a bitter expression as the words sank in to confirm the worst that he had been fearing.
