Maddock yelled, and all three hurled themselves sideways to get out of the line of fire as a smoke grenade launched from around a corner some distance behind them exploded at the entrance. Fire from the entranceway raked the area as the D Company squad broke cover and rushed forward through the smoke, hut the first of them was still twenty feet away when the steel door slammed down and alarms began sounding throughout the Government Center. -. "Sorry to hear that." "I don't have any idea what you're talking around," Micky lied. "That's for you to tell me . . . when you're.life is all one long playtime. But it's not really their fault because they're not really people like us." The conviction was widespread even though the Mayflower II's presiding bishop was carrying a special ordinance from Earth decreeing that Chironians had souls. Jean realized that she had left\* herself open to misinterpretation and added hastily, "Well, they are people, of course. But they're not exactly like you because they were born without any mothers or fathers. You mustn't hate them or anything. Just remember that you're a little better than they are because you've been luckier, and you know about things they've never had a chance to learn. Even if we have to be a little bit firm with them, it will be for their own good in the end."..mother's courageous example, this is the moment..Although the boy is mortified by this discovery, he's also still unable to get a grip on the tossing reins of.he had them. What a bandit would hope to achieve on a world like Chiron was hard to see, but revenge against Chironians seemed to have a lot to do with it; two isolated homes had been invaded, ransacked, and looted, in the course of which five Chironians and one soldier had been killed, Three Chironians, including a fifteen-year-old girl, had been raped. The Army was scouring the area from the air and with search parties on foot, but so far without success --the renegades were well trained in the arts of concealment. Satellites were of limited use if they didn't know exactly where to look, especially where rough terrain was involved..Leilani wore khaki shorts. Her right leg was fine, but in the cradle of steel and padding, her left leg.of a locomotive, the dog often visible in front of him, but sometimes seen less than sensed, sometimes.."So why bother?" Jay asked. "What's it to you if somebody else's house needs painting or not?"..So how did people like Howard Kalens feel about Chiron? Colman wondered. Did they think they could possess a whole planet? Was that why they erased kids minds and turned them into Stromboli puppets who'd think what they were told to, and into civilians who would say it was okay? But why did the people let them do it? Most people didn't want to own a planet; they just wanted to be loft alone to be engineers or run their farms. Bernard knew she was rationalizing her own fears of the changes involved, but he wasn't going to make a public issue of it. "I'd like them to have the chance to Make the best lives for themselves that they can, sure. They've got that chance right here. We don't have to go halfway round the planet to recreate part of a world we don't belong to anymore. It couldn't last. That's all over now. You have to bring yourself to face up to it, hon."..He is amazed to be alive. He doesn't dare to hope that he has lost his pursuers. They are out there, still..Bernard was nodding but with evident reservations. "True," he agreed. "But it's up in the ship, not down here. And it must be strongly protected. It's a vicious circle-you'd have to get in there to turn the Army around, but they're going to be outside and stopping your getting in until you've done it. 110w can you break out of it?"..The major's jaw quivered; his face colored. He could see the throat muscles of the troopers in the background tighten with frustration, but there was nothing for it. He had his orders. "On your way," he growled. "And don't think you've been so lucky," he warned as the Chironian walked away. "We've got your face taped. There'll be a next time."..revealing that it wasn't locked. No spell had been cast on the mechanism, after all. Curtis's failure to open..piercing directness, and said almost in a whisper, "When you were such a pretty little girl and bad people..Colman looked unconsciously toward Kath for her opinion..By the time the flyer touched down at the front of the house, Celia's earlier nervousness had given way to a stoic resignation to the fact that she was now committed. She had gambled that Stern would accept her desire to return to

her home as normal feminine behavior and that because he believed her to be helpless and without anyone else to run to anyway, the thought of her trying to escape would not enter his mind seriously. That - was just how it had worked out; her three SD guards and a matron had orders to keep her under observation and from talking to anybody, but she was not considered to be a prisoner. Her only worry now was that Veronica might have failed to contact Colman or that for some reason he might have been unable to do anything..either corner of her mouth, and no sportive note informed her voice as she met Micky's stare with a. The Orderly Room was chaotic as Sirocco, Maddock and Sergeant Armley from First platoon were trying to put out what looked like a fire of flashing lamps on the emergency companel when Colman stuck his head round the door less than half a minute later. "What the hell's going on?" he asked them..Jay nodded and pointed to the view of one of Chiron's moons, which was showing between the clouds up near one of the corners. "That's Remus," he said. "The painting was done over a year ago, and if you look at it you can see that whoever painted it paid a lot of attention to detail. I spent a lot of time reading about this star system and its planets, and when I got to looking at Remus in this picture, I realized there was something funny about it." Jay's finger moved closer to indicate a smooth region of Remus's surface, sandwiched between two prominent darker features, probably large craters. ~"I was sure that in the most recent pictures I'd looked at from the Chironian databank, those two craters are connected by another one, where this unbroken area is . . . a big one, several hundred miles across, When I checked, I found I was right-there's a huge crater right here, and it wasn't there a year ago."..the motor home. Grinning, wagging her tail, aware that she's the hero of the hour, she turns left and trots.slippery thingy, not a monster!". Old Yeller returns to him. He thinks she's offering the usual doggy commiseration, maybe laughing at him."Dry as a cracker.". Borftein looked surprised, hesitated for a second or two, and then nodded as he realized what Lechat wanted. lie rose slowly to his feet and paused to collect his words. "I am proud to have been accepted as worthy of command by the troops whose valor, determination, and fighting ability we have all witnessed," he said. "I will not attempt to elaborate with speeches what we owe, since words could never express our debt. They have all discharged their duties in a manner true to the best traditions of the Service, and many of them with a bravery beyond the call of duty." He paused, and his face became more solemn. "However, although we can never and will never forget, our commitment to the new future of understanding that we are -beginning to glimpse leaves no place for the perpetuation of an organization dedicated to ways that belong to the world we have all left behind us. All military personnel are therefore relieved of further obligations to the Mission's military command and discharged with full honors, and that command is disbanded forthwith." The hall remained quiet while Borftein sat down. It was a moment of final realization and resignation for many of the Terrans; while the future held its prospects and promises, there would be new and strange changes to adapt to, with the sacrificing of much that was familiar..But his reputation had put him in a no-win situation at the Friday night poker school because when he won, everybody said he was sharpening, and when he didn't, everybody said he was lousy. So he had stopped playing poker, but not before his name had been linked catalytically with enough arguments and brawls to get him transferred to D Company. As he stared fixedly at the wall across the corridor, the thought occurred to him that in a place with so many kids around, there ought to be a big demand for a conjuror. The more he thought about it, the more appealing the idea became. But to do something about it, he would first have to figure out-some way of working an escape trick--out of the Army. Swley should have some useful suggestions about that, he thought.. "How old were you then?" Eve asked curiously..Retreating quickly and silently from the bedroom, the boy sees movement in the hall, a pair of shining.Book design by Virginia Norey.Bernard's concern changed to a deep, uneasy, suspicion as he listened. Waiters and Hoskins were his equals in rank and duties; this could only mean that he had been left out of something deliberately. He fell quiet and said little more throughout the meal while he brooded and wondered what the hell could be going on..Lesley turned to Jarvis. "Power the tubes back up and get sop-e more guys down there fast. Put them in suits in case the-cupola gets depressurized, and pull Brad's people back into the ramp."..sometime in the 1950s." Geneva's puzzlement dissolved into a smile. "You're absolutely right, dear. I
